

~~Ride Rules~~

1. ANSI/SNELL approved safety helmets are MANDATORY on all BCC rides. Please wear yours. The life you save may be your own.
2. Please signal turns, slowing, stopping and obstacles in the road (i.e., debris, pot holes, glass, etc)
3. The roads will NOT be closed during the ride, so ride smart. Remember to call out cars (Car up, Car back, etc.) Be aware of cars passing and get in a single file. Please also maintain a single file on busy roads.
4. OBEY ALL TRAFFIC LAWS. They apply to us as well as cars, and obeying them demonstrates to motorists that we are serious about safety.
5. Drink before you get thirsty, eat before you get hungry.
6. Ride with a maximum of 2 abreast. Avoid “pack riding”.
7. Pass other cyclists on the left, and then announce yourself “on your left”.
8. Check your bike and equipment before the ride starts, including making sure your tires are aired up. Make sure you have a spare tube, a way to inflate it, and some money. A small multi-tool can come in handy too. Check your bike after the ride too incase there are any issues that need to be addressed by a bike shop before the next ride.
9. DO NOT SMOKE anytime on the tour. Fire is a deadly hazard on a farm—livestock is worth millions of dollars on the featured farms.
10. FLASH BULBS ARE PROHIBITED in the barns and around the horses/livestock because it may frighten them.
11. DO NOT PET or FEED any of the horses or livestock on the featured farms—they may bite, run at you, or run away from you.
12. DO NOT COLLECT ANY SOUVENIRS on the featured farms.
13. Stay with your group at all times. Riders are only permitted on the marked cycling course/areas on FASIG-TIPTON, MT. BRILLIANT, GAINESWAY, COBRA, U.K. MAINE CHANCE and CASTLETON LYONS FARMS. Follow the BLACK DIRECTIONAL ARROWS to stay on course.
14. There are no restroom facilities on the farms, so please make use of the bathrooms at the starting point, and rest- stop at Windy Corner Cafe.
